

Hero's Journey

Welcome, heroes of the Kingdom of Agile-thorn!

In the Hero's Journey, you'll recount your sprint as an epic tale. Share triumphs, challenges, and unexpected twists. Embrace creativity and magic as you inspire reflection and uncover knowledge. Let the retrospective begin, and may your stories shine as legendary heroes!

How to use the Hero's Journey Retrospective

1. Introduce the activity and the purpose.
2. Encourage each team member to reflect and think of themselves as the hero of their own sprint story.
3. Each person writes their stickies in each section, using private writing to conceal their stickies until ready.
4. In turn, each person tells their sprint story to the group, revealing their stickies as they go.
5. Once all stories have been told, reflect on what went well, what went badly, and what the team members want to improve.
6. Write any actions that have come out of the session.

Bonus - at the end, ask the team to vote for the "bravest hero" and the "funniest story". Or come up with your own awards!
